

Verein allerArt: Exhibition "Kunstankäufe Land Vorarlberg 2024 part 1"

Exhibition Kunstankäufe Land Vorarlberg 2024 - In cooperation with the cultural department of the state of Vorarlberg and the vorarlberg museum

Description

Every year since 1974, the state of Vorarlberg has purchased contemporary art to expand and supplement the state's own collection. For the ninth time in a row, the art acquisitions are on display in the Kunstraum Remise as part of an exhibition cooperation between allerArt Bludenz, vorarlberg museum and the cultural department of the state of Vorarlberg.

In the third and final year of the acquisition period 2022 to 2024, the buyers Andrea Fink and Isabella Marte were able to acquire works by 21 artists and two artist duos. The new additions to the collection acquired in 2024 include objects, sculptures and installations, photographic and mirror works as well as paintings and will be presented in two consecutive exhibitions curated by Luka Berchtold.
