Description

In the summer of 2024, Anna Engstler and Mathias Klocker visited all 17 alps in the Klostertal over 17 days. They accompanied the alpine farmers in their daily work, conducted interviews and took part in alpine life. These encounters resulted in the book 'Zweite Heimat - Alpen im Klostertal', which documents the Alps in Innerbraz, Dalaas and Klösterle am Arlberg.

The two give an insight into their experiences at the Tschann family's St. Viner-Hof in Nüziders: Anna Engstler will read passages from the book, Mathias Klocker will talk about the creation of the project and the resulting pictures will be shown.
