Repair Café for broken devices

Detailed description

What's a repair cafe?

The Bludenz Repair Café gives you the opportunity to have your defective electrical appliances repaired easily. With a few simple steps, your appliance may be made fit again and it won't end up in the trash. In addition to the advantage of not having to buy a new device and saving money, you make a valuable contribution to waste avoidance and environmental protection.

What can be repaired?

Electrical appliances that can be worn by one person. (no washing machines or the like)

The Repair Café is open every last Friday of the month from 13:00 - 16:30.
