Detailed description

The Val Blu indoor swimming pool is popular with young and old alike for its variety. Ambitious amateur athletes feel just as at home here as families with children. And if you just want to relax, this is the place to be. Our 25-metre sports pool offers plenty of space to work out or just relax and swim your laps. Soothing partial and full body massage jets and a relaxing geyser await you in the side recesses and depressions. In addition to the large lap pool, there is also a non-swimmer's pool in our indoor area. A rock grotto and water curtain add to the fun. The non-swimmer's pool is particularly popular with children because of its shallow depth. And to make sure they don't get bored, there's a colourful elephant slide.

Note: When the weather is nice and the outdoor pool is open, the indoor pool is closed from mid-May to mid-September.

Arrival by public transport: Several busses 502, 503 oder 504, bus stop "Val Blu/Stadion". The exact connections can be found at www.vmobil.at Travelling by public transport is free with the Brandnertal, Bludenz, Klostertal guest card.
