Experience the mountains actively - guided outdoor experiences for every season!

Detailed description

Berg&Fit - Guided outdoor experiences in the mountains

Whether it's a leisurely hike, challenging mountain tour, cross-country skiing or snowshoe trekking - with Berg&Fit you can experience nature actively and in the best company. The guided tours take you off the beaten track to the most beautiful places in the mountains.

We adapt our offers individually to your ability and your wishes - whether you want to enjoy the silence of winter, burn off energy with cross-country skiing or climb the peaks in summer. Exercise in nature, fresh mountain air and unforgettable moments await you!

Plan your next outdoor adventure now!
