Detailed description

Archery in Brandnertal - concentration, precision and nature experience

Nestled in the impressive mountain world of the Brandnertal, two 3D archery courses offer a unique outdoor experience for experienced archers. Surrounded by forests and alpine meadows, you can put your marksmanship to the test and concentrate fully on the interplay between body, mind and bow.

Brand archery course

With 34 stations, the course in Brand challenges even experienced archers. The varied route with realistic 3D targets ensures an exciting hunting experience in the middle of nature.

Bürserberg archery course

The 28-station 3D course in Bürserberg will delight you with its alpine terrain and challenging shooting distances. Perfect for anyone looking for a sporting challenge in the midst of an impressive landscape.

Important note: Both courses are only for experienced archers with their own equipment!

Trial archery is possible in the summer and winter season as part of our guest card program. Please have a look at our [event calendar](#).

Archery partner Accomodations

Partner businesses in Brandnertal offer their guests free or discounted use of the archery courses. Find out more: [Archery partner Brandnertal](#)
