

Culinary Hike Brand

A leisurely hike leads you, accompanied by three culinary stations, through the mountain world of the Brandnertal.

Description

A hike leads you, accompanied by three culinary pleasure stations, through the breathtaking mountain world of the Brandnertal valley. The first enjoyment station awaits you at the Frööd restaurant on the Burtshasattel with a magnificent view of the Rätikon mountains and the Schesaplana, the highest peak in the region. After the first culinary highlight, the tour continues towards Palüd. On the way, you will enjoy fabulous views of the surrounding mountains and discover secrets of alpine nature and its inhabitants along the Natursprünge trail.
