🕒 Thursday 20:00 o'clock

Rousing concert with the Trio Mojo monkeys

Description

Laurah Maddalena Kasemann is an award-winning pianist who received her exceptional musical education through her studies at the Vorarlberg State Conservatory and the Zurich University of the Arts. Her career is characterized by numerous international appearances and awards, including the Special Prize of the Chopin Society, and she has made a name for herself through her versatile performances in Europe and Argentina as well as her involvement in piano duos and as a conductor. Reviewers praise Kasemann for her spirited, technically brilliant playing and her ability to express profound emotions through her music.
