CULTURAL INSTITUTION

GALLERY

📍 Werdenbergerstrasse 24-26, 6700 Bludenz

The kukuphi is basically a gallery. Kukuphi is a Socratic marketplace for art-culture-philosophy

Detailed description

Pictures hang on the walls, there are sometimes sculptures around the room and there are kukuphi magazines in an old chest.

The pictures on the wall are often changed so that it doesn't get boring and we have an excuse for a party: this is kukuphi
