SKI SCHOOL

 Danöfen 125a, 6754 Klösterle am Arlberg

The regional ski school Klostertal offers professional ski lessons for all levels in our fantastic mountain scenery.

Detailed description

Learning with fun and individual support

In small groups, you will quickly improve your skiing style and enjoy personal support. Together with others, you will discover the joy of winter sports and make new friends.

Private lessons - tailor-made progress

Private ski or snowboard lessons are the most intensive and efficient way to learn. Perfect your style, technique and enjoyment.

Children's courses - playful success

Children from the age of 5 learn to ski quickly - from the first turn to race training. After just a few days, cornering is effortless. For the little ones (3-5 years) there are special offers in the kindergarten and Schneemannland.

Freeride & freestyle - off-piste adventures

For all those who want to go high: Our mountains offer ideal conditions for exciting challenges - from the first attempt to the most beautiful slopes on the Arlberg.
