

Fallbach

WATERFALL

📍 Bundesstraße 59, 6754 Klösterle am Arlberg

Natural monument and highest waterfall of Vorarlberg (520 m)

Detailed description

The trail leads from the Gasthof Krone in Dalaas over the parcel Müß to the Fallbach, and from there on to Innerbraz, along the Alfenz to the village.

This impressive waterfall is one of the largest waterfalls in Austria. From a height of 1,430 meters, the masses of water plunge down to a height of 820 meters. The clear mountain water offers a unique sight at any time of day.
