

BERGaktiv snowshoe tour in Raggal/Marul - Monday

Guided snowshoe tour in Raggal/Marul. Route selection according to snow conditions.

Description

This afternoon, depending on the snow conditions, we head to Ludescherberg or Marul in the direction of Guggernülli or the waterfall. Some fitness for up to 400 metres in altitude is required, snowshoe beginners are welcome.

Route depending on snow conditions:

VARIANT 1 PANORAMIC TRAIL RAGGAL-LUDESCHERBERG

Start at the village fountain, pass old farmhouses on a terrace in an unspoilt winter landscape to the Grüneck vantage point with a fantastic view of a snow-covered summit landscape.

VARIANT 2 RAGGAL - MARUL - ALPE STAFELFEDER - GUGGERNÜLLI

From the Ahorn parcel, you hike in seclusion and tranquillity across snow-covered mountain meadows to Alpe Stafelfeder and on to Guggernülli. The trail rewards you with a wonderful view of the Faludriga-Nova biosphere reserve core zone opposite.

VARIANT 3 RAGGAL - MARUL - MARULBACH WITH WATERFALL

Starting from the hiking car park below the Marul church, the trail leads to the Marulbach stream. Over a wooden bridge and a narrow path you reach a small pond and a romantic waterfall with an enchanting stream landscape with icicles and hoarfrost.
