

BERGaktiv Hike to the Rote Wand

Good physical condition is a prerequisite.

Description

Take the hiking bus from Buchboden to Alpe Klesenza. We hike through the Klesenza valley with its diverse flora to the turn-off to Oberschröf at 2,090 m, which is the highest point we have reached. Now we continue to Formarinsee - Freiburger Hütte where we take a longer break, from there "In der Enge" to Oberalpe-Laguz on the Sättele to Alpe Klesenza. With a bit of luck, we may spot ibex. Here we are picked up again by the hiking bus.
