

Flower-hiking-trail

Guided flower hike on the flower-hiking-trail in Faschina.

Description

The Hahnenkopf (1,722 metres above sea level) lies on the northern edge of the Grosses Walsertal. Here you will find an extraordinary variety of plants (including the Turk's cap), which is documented on the flower hiking trail set up by the Faschina cable car. Let Günter Bischof explain the diverse alpine flora to you and enjoy the abundance of flowers in the mountains.
